

Oaklawn Farm Zoo - What to expect - June 16

Oaklawn Farm Zoo is open. The experience will be similar to last summer, however still quite a bit different from the pre-covid times. The safety of our staff, customers and our animals is most important.

Face masks are required at admissions and in all buildings and washrooms. Face masks are required outdoors when social distancing cannot be maintained.

Our hours of operation are from 10am-5pm with no entrance to the zoo after 4pm.

To ensure the safety of everyone, it will be a no touch zoo, no corn machines, no pony rides and no animal feedings.

Washrooms are available and the canteen is limited to fries, onion rings, drinks and frozen treats. The Gift Shop and Reptile Ranch is open, but the number of people in the Main Building will be limited and you may experience wait times.

There will be directional signs around the zoo to keep everyone flowing in the same direction.

Thank you,
Oaklawn Farm Zoo
