

Oaklawn Farm Zoo - What to expect - Oct 4th

Oaklawn Farm Zoo is open. The experience will be similar to last summer, however still quite a bit different from the pre-covid times. The safety of our staff, customers and our animals is most important.

On October 4th the provincial government is mandating us to require proof of vaccination for all visitors over the age of 12. Please bring proper ID and proof of vaccination from October 4th on.

Please check for updates, as provincial policies may change in the coming weeks.

Face masks are required at admissions and in all buildings and washrooms. Face masks are required outdoors when social distancing cannot be maintained.

Our hours of operation are from 10am-5pm with no entrance to the zoo after 4pm.

To ensure the safety of everyone, it will be a no touch zoo, no corn machines, no pony rides and no animal feedings.

Thank you,
Oaklawn Farm Zoo
